TUXEDO PANT ADJUSTER INSTALLATION INSTRUCTIONS

Used To Adjust Pant Waist Size

ONE SET HAS THREE PARTS:

1. Buckle
2. Plastic Tape
3. Brass Staple

STEP ONE:

On one side, sew the plastic tape onto the fabric as shown.

STEP TWO:

On the other side, use the included staple to secure the buckle to the fabric.

STEP THREE:

Open the buckle and put the plastic tape into the buckle as shown.

STEP FOUR:

Completed. Simply adjust as needed.
